

**SAMPLE AGREEMENT FOR RELEASE AND LIMITED USE OF  
PARAMEDIC BASE HOSPITAL AUDIO RECORDINGS**

The \_\_\_\_\_ Hospital/Health System (“Hospital”) agrees to release its paramedic base hospital audio recording(s) in response to the written request of \_\_\_\_\_ (“Requester”), a paramedic provider agency, for the exclusive purpose of education/training of licensed paramedic staff employed by the agency.

The base hospital audio recordings being released to the requester, in their present form, contain no individually identifiable patient information. The requester agrees that under no circumstances are the audio recordings to be linked to reports or any other documents containing information which would tend to identify an individual patient.

Requester shall defend, indemnify and hold Hospital, its officers, employees, contractors, and agents harmless from and against any and all liability, loss, expense (including reasonable attorney’s fees), or claims for injury or damages arising out of the performance of this agreement. This provision shall survive the termination, expiration, or cancellation of the agreement.
